I understand and give permission for them to freeze said deer in the event that I do not pick it up within 48 hrs. after notification and that there is a related storage fee associated with this. After more than 30 days from time of drop off, I understand that the deer will be given to Hunters for the Hungry by Ogeechee Meat Market after which time the storage fee will still be applied to my cooler and must be paid to receive the cooler. I also do not hold Ogeechee Meat Market and those affiliated responsible for bone fragments, deer spoilage or other incidence with the meat. I understand Ogeechee Meat Market, LLC is not providing this meat to me but merely providing a service and I am fully responsible for proper storage and food handling of the product.
